Economy Wax

Economical Choice for Standard Applications

This new wax thermal transfer ribbon is developed and manufactured in the USA, delivering dependable quality and consistent performance. It provides a reliable, economical solution for short-lived, standard TTR applications. These ribbons feature the patented Clean Start® built-in printhead cleaner to prolong the life of your printhead.

Benefits

- Handles basic applications
- Clean Start® built-in printhead cleaner
- Remarkable blackness in print quality
- Prints at low energy setting to reduce stress on the printhead
- Good stock latitude from rough to smooth coated papers
- Excellent print quality on flood coated labels
- Print speeds up to 10 IPS
- Made in the USA
